Introduction to the Internet series

Mustang Library 4-Session Class

Monday, April 01: 1:30pm - 3:30pm

Learn how to navigate the internet with confidence! Learn how to navigate the internet, use search engines to find information and bookmark web pages so you can find them again easily. Look at websites concerning computer security, news, travel and more. **Prerequisite: Proficiency in the use of computer/mouse.**

Classes are taught on library supplied laptops.

****Space is limited, so please see a staff person prior to the start of the program to pick up a ticket which will be your registration.** Tickets will only be available on the first day of multi-session classes and are good for all sessions.

Full STEAM Ahead: Slime Lab

Tuesday, April 02

3:30pm - 4:15pm

(ages 5 and up / 45 min / space is limited) Did you know that slime is a non-Newtonian fluid? We will cover the science of slime, develop hypotheses, conduct experiments and of course - create slime that you can take home!

****Space is limited, so please see a staff person prior to the start of the program to pick up a ticket which will be your registration.**

Lego Masters

Wednesday, April 17: 4:00pm - 4:45pm

(ages 6-11 / 45 minutes / space is limited)
Are you a Lego Master? Join us for some build time while you complete our weekly challenge by yourself or with some friends. We'll finish each week with an opportunity to present your build to the group.

****Space is limited, so please see a staff person prior to the start of the program to pick up a ticket which will be your registration.**

You've asked and now it's coming. Not only is the newsletter back, you can sign up for monthly newsletter emails at a board meeting or email at ccsenewsletter.com

And...you wanted Co-Op history...it's in the works! Coming to the next newsletter.
