

Consolidated Cooperatives of Scottsdale East

Don't miss our brand-new light show, featuring vibrant visuals and mesmerizing music that will captivate visitors of all ages. Warm up with delicious treats at our cozy s'mores pits and sip on delicious hot cocoa as you take in the festive atmosphere. Enjoy a stroll through the 200-foot-long light tunnel, get your photo with Santa, and embrace the opportunity to create lasting memories in a magical setting. ZooLights is the perfect way to celebrate the season and experience the Zoo in a whole new light.

These signature Scottsdale experiences might be a bit off the beaten path, but they're worth seeking out! Pick one or try them all for a memorable Scottsdale getaway.

Cosanti is one of Scottsdale's most eclectic treasures and an Arizona Historic Site. This small compound, tucked away in a quiet residential neighborhood, showcases the innovative architecture and melodious bronze wind bells of the late Italian architect Paolo Soleri. Call ahead for bronze pour times and experience the creative process in action!
