

Consolidated Cooperatives of Scottsdale East

IF you see something, say something!

Your Board of Directors are trying hard to keep the community clean and support the Rules and Regs. We can't see everything. If there are questions or concerns please let us know.

In case you were not at the board meeting in February...

We are getting new laundry machines!

Coins will no longer be used. It will be based on a smart phone app, or 3 of the buildings will have a kiosk type set up in the laundry room where you can use your debit card, credit card or gift card. More information to come.
