

Consolidated Cooperatives of Scottsdale East

The Co-op is a PUBLIC community.

Please refrain from feeding the cats. While it's a nice gesture, the co-op cannot be responsible for taking responsibility of them. Please call a rescue organization or take them to a shelter.

Laundry Rooms...

Please DO NOT make it someone else's responsibility to clean out a washing machine that contains large amounts of your dogs hair! Please clean out dryer vents yourself. And...more importantly...please STOP dying clothes in the laundry room sink. That's what a bucket or your own bathtub is for. It's obnoxious to make another member clean up your left over mess. It needs to stop. Thank you in advance!
