\* **Open Board Meeting**

May 21<sup>st</sup>, 2026

6 PM

Your Board of Directors meets every third Thursday of the month in the maintenance building. We welcome you to join us.

## Learning Together, Growing Stronger

A remarkable opportunity is unfolding within our community—a chance to connect, reconnect, and build a stronger shared understanding together. Over the coming months, we'll be taking a simple step-by-step approach to learning how our community works or revisiting what many of us already know.

This isn't about change for the sake of change: it's about creating clarity, consistency, and a stronger foundation moving forward.

We'll be breaking things down into small 'tidbits,' easy-to-follow pieces, including Articles of Incorporation, Bylaws, Rules and Regulations, and Occupancy Agreement—all together to support how we live and operate as a community. Detailed updates and documents will be available for review on our website.
